Office Memorandum • UNITED STATES GOVERNMENT

TO : Special Assistant to the DD/A

DATE: JUL 13 1954

FROM : Director of Security

SUBJECT: Proposed DCID 11/2

REFERENCE: Memo from SA/DD/A to D/S dtd 6 July 54 - Subject as Above

1. The reference forwarded a draft dated May 1954 of a proposed DCID 11/2 together with related papers and requested the review of this Office and concurrence and/or comments.

2. Attached for your information is a copy of a memorandum from D/S to Acting DD/A dated 1 March 1954 in which the comments of this Office are set forth regarding the proposed DCID. These comments still represent the position of the Security Office.

3. [REDACTED] discussed with [REDACTED] the proposed heading of "Security Agencies Only" of paragraph 3. c. of the proposed directive. [REDACTED] advised in his opinion it was the intent of the DD/I to make certain classified information available to the NSC participating agencies. The Security Office recognizes that the DD/I, as CIA representative on the NSC Planning Board, may from time to time have the need to release intelligence documents in a controlled status to Planning Board members. It was informally agreed between [REDACTED] that the heading of paragraph 3. c. would be more descriptive if it were changed to "NSC Participating Agencies Only".
